Story

Anis and her Knights find themselves strong-armed into attending a celebration honoring Shoubi Academy's founding day, to mixed reactions from everyone involved. Anis, for her part, couldn't be enjoying herself more at the "Shoubi Academy Founding Day Eve Pageant," waltzing around the dance floor in a dress fit for a princess, when a freak thunderstorm strikes in the middle of the party, plunging the venue into darkness—and the ballroom into chaos! Mutsuki spirits Anis away from the din, and in the fray, steals from her a kiss.

Completely caught off-guard, Anis flees from Mutsuki's embrace, but just as she's making her harried escape, she suddenly finds herself face-to-face with Idel, half of the idol duo known as Rhodecia, who falls to his knees, begging her for help. After hearing his plea, Anis decides to face her father, Schwartz, in a one-on-one in battle to save Yakoh's life!

KISS OF ROSE PRINCESS

What could be taking that Garbage Rose Princess so long...?!
THE CONTRAPTION FUELING THE BARRIER AROUND THE CITY...

...Tell me.
Is it true your magic would be cut off if something should... happen to that Fake Dominon
Yocteau?

It needs more energy! Without more blood,
We'll never find the rest of those Arcana Cards...

THIS IS IT...

As loath as I am to admit it...
Heh heh...
Ah, but soon... Soon I'll do something about that little handicap.
Guess,
Once you claim the Rose Princess for your own and destroy the seal,
you will take the Demon Lord's powers within yourself...
and the balance of the entire world will shift.
This world will return to darkness
And we Dark Stalkers shall reign once more.
Why...
...Would you have me take that power?
You would do just as well to have it as your own.

SLAM!
Because I love you,
of course.
You know what that collar does, don't you...?
If you ever betray me...
...Then it will become a thousand blades, and I will have your head.

NOW MY "WISH" HAS COME TRUE.
Once upon a time, in a land not-so-far away,
There lived a lonely man who hunted terrifying creatures of evil and darkness.

"I am..."

The hunter had exterminated nearly every evil creature in the land when one day, a sound reached his ears:

This man, known and feared far and wide, wielded a half-moon sickle; larger than most, and darker than the darkest night. With it, he hunted these creatures of evil.

"A voice...?"

It was a *soul*...

...or something like it.

To his amazement, the man found that something *new* had taken root in this sickle, with which he had drained the blood of his evil quarry.

It was the soul of a young girl; born, incredibly, from the midst of chaos.

To the lonely hunter, she became the only existence of importance in his world.

And then, one day...

"I'm afraid."
The two confronted the very last creature of evil remaining in the world.
"I don't want to kill anymore. I don't want to be hurt anymore..."
At the girl's words,
The man stayed his blade.
And the demon said to the lonely man, in a voice little more than a whisper.
"I SHALL MAKE HER WISH COME TRUE."
"IN RETURN FOR YOUR LEFT EYE."

He and I need to—!
Oh, I've no doubt you're thinking quite highly of yourself at the moment; winning a kiss from Lady Anis and— by some miracle—rising through to your second-stage Awakening as well,
but you would do well to remember your place, dog. Stay where you are and be silent.
